

AU National Ace Pigeon Awards – 2016 Young Birds

The National Ace Pigeon Awards are presented to individual birds performing in races within a single race series. The scoring is accomplished using the Universal Performance Rating (UPR) system. Races at all organizational levels of competition, including specials, are eligible for National Ace Pigeon Award consideration. The NDB program will automatically select the bird's best score from among the various competition levels for each day's race. Birds' Unirates are automatically optimized for each award. Birds are then ranked in their order of increasing Unirates. Smaller Unirates are better, i.e., a 5% unirate is better than 10%.

The best scoring pigeon is awarded the AU Young Bird National Ace Pigeon Award. The second best score receives the Runner Up AU Young Bird National Ace Pigeon Award. The next eight qualified pigeons are listed as Qualified Contenders in their order of finish. Requirements: 4 races or more - Any Distance - Total mileage 800+.

2016 National Ace Pigeon Young Bird

Position	Avg Unirate	Name	Racing Pigeon	Color	Sex	Qualifying Race Miles
1	0.395%	Arthur Vega	7399 AU 16 LCF	BB::	H	339, 208, 251, 117
