

AU BIRD HALL OF FAME

The ultimate recognition of a pigeon's racing achievement in a single season of competition is to receive the AU Hall of Fame Award. We honor the young bird performers from the 2006 season.

In addition to a minimum requirement of three diploma-winning performances, the essential factors in the Hall of Fame scoring are race position, the number of birds in competition, and distance flown. The highest scoring pigeon in each loft category and in each division is awarded the AU Hall of Fame Award. The second highest score in each loft category and division receives the Runner Up AU Hall of Fame Award. The next eight qualified pigeons are listed as Qualified Contenders in their order of finish. Pigeons that are qualified in multiple loft categories will be given their highest order of finish in their highest loft category.

Congratulations to the Young Bird Hall of Fame Class of 2006!
