

AU Bird Hall of Fame - 2008 Old Birds

The ultimate recognition of a pigeon's racing achievement in a single season of competition is to receive the AU Hall of Fame Award. We honor the old bird performers for the 2008 season.

In addition to a minimum requirement of three diploma-winning performances, the essential factors in the Hall of Fame scoring are race position, number of birds in competition, and distance flown. The highest scoring pigeon in each loft category and each division is award the AU Hall of Fame Award. The second highest score in each loft category and division receives the Runner Up AU Hall of Fame Award. The next eight qualified pigeons are listed as Qualified Contenders in their order of finish. Pigeons that are qualified in multiple loft categories will be given their highest order of finish in their highest loft category.

(Note: The criteria for scoring AU Bird Hall of Fame awards will change to the new calculation method, which is posted on the website and in our annual yearbook, beginning with 2009 Old Birds.)

Congratulations to the 2008 Old Bird AU Hall of Fame winners!
