

THE AMERICAN CHAMPIONS

The American Champions consists of two separate programs; one for Long Distance performances and one for All Distance. Both are scored in ten levels of loft competition. All Distance consists of a flyers best 25 races within a consecutive five-year period. The listing is historical. Once a flyer enters the Top 10 positions of a category, he will remain there until a higher score knocks him out.

The American Racing Pigeon Union, Inc. seeks, through the American Championship Awards, to give honor to those who have achieved outstanding success in the sport of pigeon racing. We are proud to honor those who have demonstrated such outstanding sustained excellence.
