As indicated in the AU's Press Release dated March 29, 2017, the AU requested financial information from Mr. Hindi, but received an incomplete response. The AU still has questions of Mr. Hindi and has reached out to his attorney seeking clarification and further information. We have not yet received this information despite repeated attempts. Now that local law enforcement authorities are investigating the matter, the AU will defer to that investigation and will not be able to respond to inquiries from other entities or individuals.
