

Consider an easy way to promote without spending a lot of money: Facebook!

**Call us for resources!
800-755-2778**

1. Create your own club Facebook page. Connect with AU's Facebook page. When you have an event for public to attend, we'll share your information, PLUS, we will create an event listing on the AU Facebook and boost the event for public to see.

It worked for one club! Why not your club?

2. Simply give us your event information and we'll share it and boost it on the AU Facebook page. Easy!
