

We Want to Hear From You

The elected officers and directors of the AU are perhaps the most visible of the volunteers who serve the organization. They, and those who have preceded them, have served the AU and the racing pigeon sport with real distinction. There are others, however, who provide a great deal of expertise (and effort) on behalf of the AU. They serve on standing and special committees. Their contributions are significant.

To continue to improve as a member services organization, we have an ongoing need for help from talented people. If service to the AU is of interest to you, please let us hear from you. Think of the various disciplines you find in the business world, and those are the service opportunities within the AU. Whether it's advertising, marketing, accounting, human resources, drafting, or if it is a special aspect of the sport that you are keen on, we can probably use your good help. In the space below, please tell us about yourself and your special interest/skills.

Additionally, the AU national office strives to provide a tremendous return to AU members. We work every day to offer support, supplies, and partnership. Because of our partnership with members, we have the strongest pigeon organization in this country.

We put a high priority on serving members in a prompt, accurate, and professional manner. We appreciate your feedback on the quality of service your club, or you personally, have received. Please fill in your comments below and send to augrow@aol.com or ARPU, P.O. Box 18465, Oklahoma City, OK 73154-0465.

Thank you.
