

AU National Ace Pigeon Awards - 2024 Young Birds

The AU Young Bird National Ace Pigeon Awards are presented for the following distance categories: Middle Distance Ace Pigeon, Long Distance Ace Pigeon, Marathon Ace Pigeon, Marathon Triple Crown, All Distance Ace Pigeon. The National Ace Pigeon awards are presented to individual birds performing in races within a single race series.

The scoring is accomplished using the Universal Performance Rating (UPR) system. Races at all organizational levels of competition, including specials, are eligible for National Ace Pigeon Award consideration. The NDB program automatically selects each bird's best score from the available competition levels for every race day. Birds are ranked in ascending order of their optimized Unirates—smaller Unirates are better (e.g., 5% beats 10%).

The best scoring pigeon in each distance category is awarded the AU Young Bird National Ace Pigeon Award. The second-best score receives the Runner Up Award. The next eight qualified pigeons are listed as Qualified Contenders in their order of finish.
